LETTER FROM THE PUBLISHER

Linda le Brock
Publisher

Welcome to our sixth annual Giving Guide

Six years ago, the Pacific Coast Business Times created the Giving Guide as a vehicle to help engage the business community and our region's nonprofits.

The Giving Guide is a great way for nonprofits to tell their stories, to educate

the community on their missions, new initiatives, increase development efforts and promote their message to our readers.

I hope you will be inspired as you read through this year's Giving Guide, by our region's philanthropic organizations that work tirelessly to make a difference in our community. You will find great organizations that serve our region in many ways, as well as ways your company can deepen its philanthropic efforts.

Supporting our nonprofit community is integral to the mission

of our sponsors and partners of the Giving Guide. We owe a special thank you to our Gold Sponsor Wells Fargo. We would also like to thank our Silver Sponsors: Aera Energy, Cox Communications, Montecito Bank & Trust and the Santa Barbara Foundation.

We would like to also thank our generous business community for its commitment to our region's nonprofits and those companies that underwrote the costs of advertising by many of our nonprofits in the Giving Guide.

Lastly, I would like to extend a special thank you for the great advertising team at the Business Times. Thank you to Graphic Designer Cory Pironti for her tireless and gifted work. And to Advertising Executives Veronica Kusmuk and Jared Godinez, as well as Marketing Director Jennifer Carusa.

You can reach Publisher Linda le Brock at llebrock@pacbiztimes.com.

LETTER FROM THE CHAIRMAN

Henry Dubroff
Chairman

Giving Guide is just one of many innovations that Pacific Coast Business Times has brought to the Tri-Counties during our 17 years of publication.

Much of that innovation is focused on the nonprofit sector, and just a few of our initiatives include:

- More than \$325,000 a year in media sponsorship and marketing benefits to dozens of nonprofit programs and fundraising events.

- Support for the UC Santa Barbara Economic Forecast Project, California Lutheran University's Corporate Leaders Breakfasts and CERF forecasts, CSU Channel Islands President's Dinner and Leadership Dinner and the annual South Coast Business & Technology Awards.

- Board service that includes the CSU Channel Islands Foundation, CLU School of Management Advisory Council, Business Giving Roundtable, Red Cross of the Central Coast, Economic Development Collaborative of Ventura County, Economic Vitality Corp. of San Luis Obispo County and Partners in Education.

- A partnership with the Santa Barbara Zoo that includes adopting Beau, a Channel Islands fox as our mascot, as a way to promote corporate engagement between the Zoo and the business community.

When we launched Giving Guide six years ago, it seemed natural to leverage the resources of the Pacific Coast Business Times and corporate partners to support the nonprofit community. In addition to Giving Guide, we publish an annual Who's Who in Nonprofits & Foundations. Our 2017 Book of Lists, publishing at the end of December, spotlights leading services organizations, museums and foundations.

Giving Guide is advertorial in nature. The organizations profiled in the section have pre-approved the profiles we publish. They have either directly provided the funding for their pages or that funding has been provided by corporate sponsors.

Finally, we are pleased to underwrite the cost of distributing copies of Giving Guide at a number of area events, including the National Philanthropy Day awards luncheon presented by the Association of Fundraising Professionals.

Contact Chairman Henry Dubroff at hdubroff@pacbiztimes.com.

THANK YOU

to the local nonprofit staffs & volunteers for your tireless work supporting our communities!

 WELLS
FARGO

Ernie Pineda
Area President

Reza Razzaghipour
Regional President

At Wells Fargo, we believe that our long-standing focus on caring for our customers sets us apart, and it's been a key contributor to our company's success and stability since 1852. Every day we strive to earn the trust and respect of the customers and communities we serve. As your community bank, we help our customers and communities succeed by working with local organizations and nonprofits to enhance the quality of life for the Pacific Coast.

While Wells Fargo has certainly changed over the past 160 years, our commitment to caring for our customers, employing a strong and diverse workforce, and helping communities find solutions to issues that matter, ranging from social to economic and environmental has not faltered; in fact, it has strengthened and is embedded in how we do business every day.

From the beginning, Wells Fargo has been committed to help strengthen communities. This commitment is core to our company's vision and values. "Together we'll go far" is more than a tagline at Wells Fargo, but a daily reminder

that working together is integral to the successes of our community, our neighbors, and our local businesses.

Our team members understand that small efforts can make a huge difference in our communities. We care deeply about our communities, and we volunteer our time, serve on nonprofit boards, and personally contribute to local charitable organizations. Being active in the community is so important to Wells Fargo's culture that each team member is given 16 volunteer hours annually. We roll up our sleeves and do whatever it takes to make the Pacific Coast a better, healthier place for us today, and the generations ahead.

Last year, Wells Fargo donated \$281.3 million to 16,300 nonprofits helping nonprofits deliver critical services and volunteered 1.8 million hours in their communities with more than 40,000 organizations.

We thank you our loyal customers and nonprofit partners for helping us be successful and for partnering with us to make our Pacific Coast communities thrive.

Aera Energy: Proud to call the Central Coast home

History of excellence. Aera Energy LLC is a longtime member of the coastal community. This year our Ventura oil field is commemorating 100 years of oil production, and we look forward to being a long-term partner in Santa Barbara County as we work to re-develop the historic East Cat Canyon oil field in rural north county.

Christina Sistrunk
President and CEO

Using innovative business practices and cutting-edge technology, Aera is proud to produce nearly 25 percent of the state's oil production. With headquarters in Kern County, we are also a respected partner in the Ventura, Fresno and Monterey county locations where we operate. We've earned that trust because our operations not only produce energy but also protect human health and the environment and serve the community.

Serving the community by benefiting the economy. Aera contributes to the economic health of the region by creating good-paying jobs and stimulating millions annually in economic activity. In Ventura, we employ over 90 people and our operations generate additional jobs for hundreds of contractors and service companies. As one of the largest taxpayers in Ventura and other counties where we operate, our tax dollars support public safety, schools, and other vital services.

Fostering community service and partnerships. Community involvement is a value Aera employees live and generously share by creating partnerships with dozens of local organizations including chambers of commerce, non-profits, schools and more.

Our involvement includes making annual financial investments in community groups and education. In Ventura, we played a major role in the success of several local organizations including the Ventura Police Activities League (PAL) where we provided seed money for its startup and continue to offer ongoing support. We also support the Ventura Education Partnership (VEP) as a charter sponsor, contribute to scholarships for local students and annually provide support for the local Toys for Tots program during the holidays.

In Santa Barbara County, our contributions to the Boys and Girls Clubs of Santa Maria Valley have helped purchase a van, replace the roof and modernize the gym's AV and network connections. To help combat hunger, Aera donated paper grocery bags that aided letter carriers to collect a record 70,000 pounds of food for the Foodbank of Santa Barbara County. Aera employees also pitch in annually to volunteer for the Foodbank's End Summer Hunger campaign and Empty Bowls events.

Recognition from local organizations. Aera has received numerous awards for volunteerism, investments, leadership and community partnerships. United Way of Ventura County recognized that support and presented Aera with the Roy Pinkerton Award for outstanding corporate partnership. Similarly, United Way of Santa Barbara County recognized Aera for its outstanding contributions among high tech companies. In 2013, we were also honored as "business of the year" by Project Understanding in recognition of our support for programs assisting the county's homeless population.

We are proud to call the Central Coast home – and we do our part to make it a special place to live and work.

Christina Sistrunk, President and CEO

Helping customers discover and connect to the things they care about most in ways that are easy-to-use and reliable.

For several decades, Cox Communications has been serving Southern California. We are especially proud to serve Santa Barbara and be part of this special community.

As one of the largest broadband and entertainment companies in the U.S., offering advanced digital video, internet, telephone and home security and automation services over our own nationwide IP network, Cox provides a personalized communications and entertainment experience and continually invests and innovates to meet our local residential and local business customers' changing needs.

Our newer products and services take the customer experience to the next level – personal video, connected home, more broadband choice and access including:

- **New Contour** – A cloud-based and voice-activated platform that has accelerated our next generation video service
- **Cox Homelife** – A home security and automation product that provides advanced features not found in most traditional alarm systems with time-saving, cost-saving, and worry-saving features to help customers manage their family's safety
- **Gigablast (coming soon)** – Cox's residential gigabit service will deliver speeds 100 times faster than the average speed in the U.S. today

But, for Cox Communications, serving Santa Barbara is more than bringing customers the latest technology. It's about raising the quality of life in the place our customers and employees call home – whether it's through collaborating with nonprofit organizations, volunteering to keep our beaches clean, or making a donation to a local community program.

Through Cox employees and corporate giving, we have a long history of giving back to the communities we serve. Our local Cox Charities Foundation is funded by Santa Barbara employee donations that are matched by the company, and which are used to fund community programs focused on children and families including scholarships for high school seniors and bringing technology to students.

Our philanthropic support focuses on three key areas: Technology, education and the environment.

Technology – Bringing broadband access to underserved youth is an important part of our community support. Whether it's opening a Cox Tech Center at the local Boys and Girls Club to provide members with access to free high speed Internet for homework, or partnering with the Santa Barbara County Education Office to bring technology to students, Cox Communications is committed to ensuring that all youth, regardless of their economic situation, have much-needed access to technology to further their education and not fall behind their peers.

Education – Through the Cox Charities Foundation, Cox Communications and its employees award thousands of dollars in scholarships each year to Santa Barbara-area high school graduates. Cox also participates in Connect2Compete, a nonprofit initiative focused on bridging the digital divide by offering low cost computers and discounted Internet service to families on government assistance programs.

Environment – Each year, the Cox Conserves Heroes awards program seeks public nominations and votes for Santa Barbara's volunteer conservation champions. On behalf of 2016 Cox Conserves Hero Lee Heller, Cox donated \$10,000 to the Environmental Defense Center.

For more information about Cox Communications' philanthropic areas of giving, visit www.coxcharitiesca.org

The annual *Giving Guide* provides Montecito Bank & Trust with a perfect opportunity to recognize and thank the dedicated nonprofit staffs and volunteers for your tireless work supporting our local communities. Your ongoing commitment to help make our communities thrive has a lasting impact on so many lives. We truly appreciate your continued efforts and results; your hard work does not go unnoticed.

Janet Garufis,
President and CEO

Like you, everything we do at Montecito Bank & Trust starts with the same, simple commitment to make the communities we serve better places to live and work. That's why, for the last 41 years, we've been investing in the communities we serve in ways only a local community bank can. From the thousands of local businesses we've helped grow and thrive, to the thousands of hours our associates spend volunteering each year, to the millions of dollars that we have reinvested back into the community, just about everywhere you look you can see the difference this simple commitment has made. We take our role as a leader in the community seriously and believe that corporate philanthropy is also about modeling the way and inspiring others to follow our lead. Whether it's time, treasure or talent, each of us has something valuable to offer.

As the bank has grown, so too has our ability to deliver on our commitment and we know that the support of our loyal customers helps make that impact possible. We are so grateful to the growing number of people who have placed their trust in us to serve their financial needs and help them reach their financial goals. If you are not yet a customer of Montecito Bank & Trust, we invite you to visit any of our 10 local branches from Solvang to Westlake Village, or to speak with any Montecito Bank & Trust associate and discover what you can accomplish with the leading community bank on your side.

With appreciation,

Janet A. Garufis
President and Chief Executive Officer
Montecito Bank & Trust

Building Community Resilience

We are living in a world today where fear is often the predominant force: through acts of terrorism, on-going political discourse, or in the violence and injustice occurring in our local communities. We must remain steadfast in our dedication to overcome these challenges with intention and resolution. As a community foundation, our role is to be more than a prominent and generous philanthropic presence. Our purpose is to build and strengthen community resilience so that we are not simply solving problems, but ensuring that we are able to adapt to and overcome whatever the future may hold.

We are fortunate to live in a place where philanthropy is embedded in our culture. While the needs of the community have varied, the shared commitment to the common good has been a constant and unwavering source of strength. The Santa Barbara Foundation has a proud history of harnessing the power and vision of this collective philanthropic intention to make a difference in the community. This history has been leveraged into building community-based initiatives that are tackling some of the most complex issues in our region, from the responsible and respectful use of our natural resources in light of the shifts in our climate, to the aging of our population that will place unforeseen burdens on our healthcare and senior caregiving organizations.

The breathtaking landscapes throughout our region, including the scenic coastal waters and the grandeur of the Santa Ynez Mountains, are what sustain us and in return we must sustain them. The Santa Barbara Foundation launched the LEAF Initiative to ensure that the landscapes, ecosystems, agriculture and food systems in our county are actively nurtured and attended to by experts in those areas. The initiative is supporting collaborative, community-driven planning processes to help mitigate dangers and bolster systemic reforms.

Our scenic beauty and unique ecosystem draws visitors from around the world, but the heart of the community is the people who live here. Many of our neighbors are arriving at retirement age, and as the aging population grows, so does their need for care. Family members are frequently called upon to care for loved ones, but are often overcome by the stress and financial challenges associated with being a caregiver. The Santa Barbara Foundation believes that community philanthropy can play a vital role in convening practitioners and building a network of providers that can identify and implement the most promising approaches to this issue. Our Community Caregiving Initiative is pursuing effective methods to assist families and local agencies in caring for aging loved ones.

As a sponsor of the Giving Guide, we value and appreciate the important information provided to the community. We know that to be a great community foundation we must adapt to changes in the sector and be forward-thinking, persistently acquire knowledge and expertise, and find new ways for philanthropy to work for our donor investors. The desire to preserve human dignity and steward resources was the hope of those who came before, and it guides us now as we work toward a vibrant and resilient future for our community.

My wealth. My priorities. My partner.

You've spent your life accumulating wealth. And, no doubt, that wealth now takes many forms, sits in many places, and is managed by many advisors. Unfortunately, that kind of fragmentation creates gaps that can hold your wealth back from its full potential. The Private Bank can help.

The Private Bank uses a proprietary approach called the LIFE Wealth CycleSM to find those gaps—and help you achieve what is important to you.

Alzheimer's Association, California Central Chapter

@AlzCentral

Alzheimer's Association, California Central Chapter

YEAR ESTABLISHED

The Alzheimer's Association, California Central Chapter was established in 1984.

SERVICE AREA

We provide a full range of free and vital services to more than 40,000 families through offices in Santa Barbara, Ventura, and San Luis Obispo Counties. Many of those services are available in Spanish.

MISSION

To eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health.

VOLUNTEER OPPORTUNITIES

We need you!

We offer a wide range of volunteer opportunities, from helping with a special event to serving as a support group facilitator. If you are interested in volunteering, please contact your local Alzheimer's Association office to learn more about how you can utilize your talents to make a difference in the fight to end Alzheimer's.

GIVING OPPORTUNITIES

Sponsor a special project or major event: You or your company or foundation can help launch or grow special projects with the power to transform the future of Alzheimer's. You can also be a part of high-profile events such as the Walk to End Alzheimer's, The Longest Day, Blondes vs. Brunettes, the Alzheimer's Women's Initiative Luncheon 'Your Brain Matters', A Swing to Remember Golf Tournament, and the Alzheimer's Association Professional Education Conference

Join the Alois Society: Membership in the prestigious Alois Society, with an annual gift of \$1,000 or more, provides the opportunity to be at the forefront in the fight against the disease and helps us move closer to a world without Alzheimer's

Join the Aspire Society: With a gift of \$10,000 or more, you can be a part of our global society of major donors, supporting a wide range of strategically important initiatives to advance the effort to end Alzheimer's disease.

Join the Founders Society: The Founders Society honors those who have remembered the Association in their estate plans. For many supporters, estate gifts offer the greatest potential to change the future of Alzheimer's disease.

Every gift moves us closer to our vision of a world without Alzheimer's. Thank you for considering how you can make the greatest difference.

To learn more, please contact Mitchel Sloan, Vice President of Development & Communications at 805.892.4259, x102 or at msloan@alz.org.

PROGRAMS

Our vital and free program services include:

- Education for Caregivers and Professionals
- Information and Referrals
- Support Groups
- Family Care Consultations
- Community Awareness

Our Association is the largest private or nonprofit funder of Alzheimer research in the world, providing more than \$350 million to more than 2,300 scientific investigations since our inception.

For more information, please contact Donna Beal, Vice President of Program Services & Advocacy at 805.892.4259, x107 or at dbeal@alz.org.

As a longtime sponsor of our local Alzheimer's Association, we walk the walk...

The Alzheimer's Association holds a special place in the hearts of everyone at Heritage Oaks Bank. Year after year, our gung-ho employee volunteers put their best feet forward at the Walk to End Alzheimer's events throughout the central coast. And our bank is proud to serve as an annual sponsor and supporter of the valuable work performed by the Alzheimer's Association California Central Chapter.

...and present the talk.

Maria C. Carrillo, Ph.D.

This year, we're very excited to be the Presenting Sponsor of the third annual Alzheimer's Women's Initiative (AWI) "Your Brain Matters" luncheon where we will be honoring caregivers, recognizing Anne and Kirk Douglas with the prestigious 2016 AWI Leadership Award, and presenting keynote speaker, Maria C. Carrillo, Ph.D., Chief Science Officer of the Alzheimer's Association. Join us on November 18 at the Fess Parker Doubletree Resort in Santa Barbara for this very special event. For tickets contact Katelyn Reeves 805 892-4259 x103.

At Heritage Oaks Bank, participation in the Alzheimer's Association is only one way we demonstrate our commitment to the communities where we live, work and raise our families. We feel privileged to support a wide range of worthwhile local nonprofits that make such a difference in all our lives.

A community bank in every sense of the word. That's why we're central to the coast.

PROGRAMS AND SERVICES

Go Red for Women/Por la Vida, el Rojo

An ongoing program of education and events to increase awareness of heart disease and stroke as the No. 1 and No. 3 killers of women. Wear Red Day is a call to action for women to Love Their Heart and Go Red the first Friday in February. The Go Red For Women Luncheon is held annually and celebrates the women in our lives.

Heart & Stroke Walk/Run

The Heart Walk is a great opportunity to promote healthy living and celebrate your success. Central Coast companies and their employees, families & friends will walk and raise lifesaving dollars to support local cardiovascular and stroke community education and research programs.

Every element of the "My Heart. My Life." Heart Walk is designed to 1. Create a stronger community among participants, 2. Instill passion for reducing disability and death from cardiovascular disease and stroke, and 3. Generate excitement for a new or renewed commitment to heart-healthy living.

Go Red for Women Luncheon

These luncheons are premiere fund-raising events held in more than 200 cities nationwide. Themed around sisterhood & inspiration, these luncheons are life changing experiences that focus on three areas to support the fight against heart disease in women: 1. Heightening awareness of the issue, 2. Creating

a passionate call to action, 3. Generating funds to support education & research.

Activities feature educational topics about heart disease, risk factors and heart health, as well as guest speakers and medical experts.

Heart Ball

The American Heart Association presents an event to raise funds for research and initiatives preventing heart disease to helping our children live stronger, healthier lives with education and public policies that effect where they live, learn and play. New information in the areas of congenital heart defects, heart transplants in children, cholesterol levels in teens and diabetes rates in children as well as adolescents are just a few areas we are currently investigating.

My Heart. My Life.

The American Heart Association's My Heart. My Life. is a comprehensive new health, wellness and fitness platform to empower Americans to get healthier. A key goal of My Heart. My Life. is to increase the number of people who understand the link between their health and their risk of heart disease and stroke.

Saving Strokes

Saving Strokes is a free program for stroke survivors and their caregivers to introduce them to golf as a method of physical activity and socialization. Participants do not need to have prior golf experience.

Jump Rope for Heart/Hoops for Heart

Jump Rope for Heart/Hoops for Heart youth programs teach elementary & middle school students how to live a heart healthy lifestyle! Students learn about healthy habits such as good nutrition & physical education as well as the importance of community service through fundraising activities.

 Red Cross Ventura

 American Red Cross of the Pacific Coast

 @RedCrossVentura

 @RedCrossCoast

YEAR ESTABLISHED

Clara Barton founded the American Red Cross in Washington, D.C. on May 21, 1881

SERVICE AREA

We have more than 1,000 volunteers serving our friends and neighbors throughout Ventura, Santa Barbara and San Luis Obispo Counties.

MISSION

The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of our donors.

HOW YOU CAN HELP

Get Training in Preparedness, Health and Safety:

From disaster preparedness, to CPR, to first aid, the Red Cross can teach your people how to be ready, healthy and safe. Schedule training sessions at your business. Enroll in our courses.

Become a Ready 365 Partner

Ready 365 is the Red Cross partnership program with businesses. When your company becomes a Ready 365 partner, you support the Red Cross through donation and help tell the Red Cross story.

Host a Blood Drive

Turn your business into the site of a Red Cross mobile blood drive. Let the community know that you support the Red Cross in providing lifesaving blood.

Sponsor Heroes for the Red Cross

Every year, we celebrate Heroes for the Red Cross, ordinary people from our communities who have made an extraordinary difference. Your corporate sponsorship shows you believe in heroes too.

Recruit Volunteers

The good people working for your company are exactly who we need to fulfill the Red Cross mission. Volunteers make up 90 percent of the Red Cross. Spread the word with your employees: join the Red Cross today!

2016 HOME FIRE CAMPAIGN

Your local Red Cross responds to hundreds of home fires every year, providing hope and relief to families who have lost everything. Join the Red Cross on our mission to build stronger and more resilient communities through free smoke alarm installations in local neighborhoods.

To know when the Red Cross will install free smoke alarms in your coastal community, please check the Red Cross Central California Home Fire Campaign website at redcross.org/cencalhfc

Building stronger communities. One smoke alarm at a time.

The Red Cross responds to nearly 70,000 disasters each year in the United States – and the vast majority of those are home fires.

That's why the Red Cross launched the Home Fire Campaign to reduce deaths and injuries from home fires by as much as 25 percent over the next five years.

Join us for the next event in your area. [Learn more at redcross.org/centralcalifornia](http://redcross.org/centralcalifornia)

MISSION

To inspire and enable all young people, especially those who need us most, to reach their full potential as productive, responsible and caring citizens.

WHAT WE DO

At little or no cost to families, Boys & Girls Clubs provide social, educational and recreational programs to all youth 6-18 years old. More than 25,000 children and teens attend a Boys & Girls Club in Ventura County. Working parents choose the Clubs because they are safe, nurturing and provide cost-effective care for their kids afterschool and in the summer. Club members choose engaging, enriching activities that improve grades and build meaningful relationships with peers and adults.

PROGRAMS

Our **Formula for Impact** model is a proven strategy for positive youth development, it serves as a roadmap for Clubs to help ensure that members achieve our priority outcomes of Academic Success, Good Character and Citizenship, and Healthy Lifestyles.

It represents the five key elements for positive youth development:

1. A Safe, Positive Environment
2. Fun
3. Supportive Relationships
4. Opportunities and Expectations
5. Recognition

The formula also incorporates high-yield learning activities, targeted programs and regular attendance for kids who need it most

ABOUT

California Lutheran University is committed to helping students pursue their passions to discover their purpose, and follow that purpose to transform their community – and the world. That is why our dedicated, accomplished faculty works with small classes of undergraduate and graduate students who are open-minded – about ideas, about people, and about faith – and are seeking to grow as individuals while they excel academically.

2017 GOALS

In addition to guiding students to discover and live their purpose, our strategic goals include setting the highest academic standards, supporting student achievement across all programs, and building and modernizing sustainable facilities, and attracting students of high ideals and promise. We advance these goals by:

- Providing greater financial assistance for deserving students;
- Supporting innovative academic programs;
- Strengthening and expanding campus art and science programs and facilities.

PROGRAMS

Through our undergraduate programs, we offer 36 majors, 35 minors, and 7 pre-professional programs. Additionally, our Bachelor's Degree for Professionals program is designed to meet the needs of part-time returning adult students.

Our highly regarded graduate programs include post-graduate degrees in business, computer science, education, psychology, and public policy and administration, with doctorates in educational leadership, higher education leadership, and clinical psychology. We also offer post-graduate credentials and certifications.

GIVING OPPORTUNITIES

Several philanthropic opportunities help make our mission possible:

- **CLU Annual Fund:** Financial gifts are put to use where they are needed most, including student financial assistance, lab and classroom equipment, study abroad experiences, and library resources.
- **Scholarships:** Make education affordable for deserving students. More than 95 percent of Cal Lutheran students receive scholarships or financial aid.
- **Estate and Deferred Gifts:** Provide for future financial needs and goals.
- **Naming Opportunities:** Leave a lasting legacy through naming and endowment programs.
- **Employer-sponsored matching gifts:** To see if your employer has a matching gift program, visit matchinggifts.com/clu
- **Appreciated stocks and bonds**

YEAR ESTABLISHED

Incorporated in 1988, Casa Pacifica opened its doors in 1994 to serve abused, neglected, and at-risk children and youth.

SERVICE AREA

Casa Pacifica is the largest nonprofit provider of children's mental health services serving primarily Ventura and Santa Barbara Counties, though children from throughout California are placed at Casa Pacifica.

MISSION

Casa Pacifica provides hope and help for abused, neglected, or at-risk children and their families.

2016 GOALS

To provide cutting-edge, evidence-based high quality programs and services that promote healing in children and youth who suffer with severe emotional and behavioral challenges due to abuse, neglect, and/or mental illness; and prepare emancipating foster youth to live successful, independent lives.

VOLUNTEER OPPORTUNITIES

On-Campus Volunteer:

Share a skill, help in a classroom, read bedtime stories, teach cooking, work in the Cloud 9 campus store, etc. One-year commitment required.

Angels Auxiliary:

Plan and volunteer at fundraising events and/or four Children's Parties each year, also an opportunity to serve on the Angels Board.

Amigos Auxiliary:

Bi-monthly weekend activities (hikes, bike rides, car show, water safety day, etc.) to teach skills, mentor, and have fun with the children; also opportunity to serve on the Amigos Board.

GIVING OPPORTUNITIES

Annual Fund:

Funding to fill the gap between what Casa Pacifica receives from government service contracts and the actual costs of providing its programs. Need to raise \$2.9 million in 2016-2017.

Building New Foundations of Hope Capital Campaign:

Raising funds to expand campus facilities, enhance capacity, add new services, and improve existing programs. Includes adding two new cottages for foster youth with substance abuse issues, consolidating outpatient services in one building, increasing clinical space for youth in our Short Term Adolescent Residential Treatment Program, and adding space for vocational education and other training services, among others. These improvements will enable Casa Pacifica to double the number of children served on its campus each year.

Corporate Leader Program:

Corporations and businesses may give at specific funding levels and choose which fundraising events their funds will sponsor.

Visionary Leader Program:

Same as Corporate Leader Program, but for individual donors.

Planned Giving Program:

Include Casa Pacifica as part of your estate planning.

Casa Pacifica Kids Club:

Participants pledge to give an annual donation of at least \$1,500 (or more) to Casa Pacifica each year.

Event Sponsor:

Pledges donation to Casa Pacifica fundraising event(s) of their choice, at funding level of their choice.

Team Archie and/or the Archie Fund:

Team Archie members pledge to give an annual donation each year for the Archie Fund which covers children and youth's emergency needs.

Transitional Youth Services (TYS) Program – TYS helps transitional and emancipated foster youth with various life skills and needs including independent living skills, housing, education, employment, health, transportation, etc.

Gift Card Donations:

Gift cards from restaurants, retail stores, entertainment outlets, and bank cards (if they do not charge fees).

PROGRAMS AND SERVICES

Casa Pacifica accomplishes its mission through a full-spectrum of programs and services such as:

- Crisis-Care Emergency Shelter
- Residential Treatment Center
- On-campus Health Clinic

- Cox Business
- Cox Enterprises

SERVICE AREA

Santa Barbara, Carpinteria, Goleta, Summerland.

2017 GOALS

Connecting with our community is an integral part of our company's core beliefs and something we act on every day. We collaborate with community organizations and charitable groups to strengthen education, bridge the digital divide and enhance digital literacy, support diversity and inclusion in our communities, and promote conservation and sustainability. By investing in these groups, contributing our resources, and volunteering our time, we are striving to help our community thrive.

MISSION

To provide exceptional residential and business video, internet, telephone, and home security and home automation services in the Santa Barbara region; support Santa Barbara-area organizations that align with education, technology and conservation; promote digital inclusion; provide online safety educational resources for our customers; and find ways to lessen our impact on the environment and protect it for future generations.

EVENTS

Salute to Teachers – On November 5, 2016, Cox Communications, in partnership with the Santa Barbara County Education Office, will honor the Santa Barbara County Teachers of the Year during a black-tie awards event at the Lobero Theatre. The event will be taped live and air at a later date on a Cox station.

Season of Giving – During the holiday season, Cox Communications employees volunteer with local nonprofit organizations to help make a difference in the lives of children and families in need.

PROGRAMS

Cox Charities Foundation Scholars: Each Spring, the Cox Charities Foundation awards scholarships to local graduating seniors who have succeeded academically and demonstrated their commitment to community service and leadership. Learn more here: coxcharitiesca.org/cox-scholars

Cox Conserves Heroes: Each Spring, Cox Enterprises recognizes local environmental volunteers through the Cox Conserves Heroes program. The community is invited to nominate environmental heroes and a panel of community leaders reviews and selects a Santa Barbara finalist. Cox donates up to \$10,000 to an environmental organization chosen by the Cox Conserves Hero.

Nonprofit Grants: Each Fall, Cox Charities Foundation is proud to offer grants to local nonprofit organizations to support programs that focus on youth, education, and conservation. Learn more here: coxcharitiesca.org/nonprofit-grants

Connect2Compete: Cox partners with Connect2Compete, a national nonprofit initiative aimed at bridging the digital divide through low-cost Internet services. Cox was the first cable provider in the nation to pilot the program in Santa Barbara, which is now offered in all Cox service areas nationally.

Cox is proud to support a wide variety of local non-profits, including:

Congratulations to Santa Barbara's 2016 Cox Scholars

L-R: 2016 Cox Scholars Belinda Garcia, Dos Pueblos HS; Alexa Garcia, Santa Barbara HS; Sarah Douglas, San Marcos HS; Anzhela Gladkikh, San Marcos HS; Delour Haj, Dos Pueblos HS; and Market Vice President Kirsten McLaughlin, Cox Communications.

Cox Charities recently awarded scholarships to graduating high school seniors in Santa Barbara in recognition of their academic achievements, community service and leadership.

Congratulations and good luck to all of the 2016 Cox Scholars as they head to college!

Since 2000, nearly 600 students have received more than \$1 million in scholarships. To learn more about Cox Charities, including how to apply for an upcoming nonprofit grant, visit www.coxcharitiesca.org.

DECKERS
— BRANDS —

KIND. BOLD. HONEST. OPEN. COURAGEOUS.

In 1973, Deckers began a 43-year commitment to Santa Barbara. During the course of those 43 years, the world has been very good to us. In turn, we feel a responsibility to be good to the world. That's why we support non-profit organizations that focus on education, environmental issues and community outreach. The organizations we support share our values and our commitment to improving the lives of people in our local community.

It's not all about writing checks. Through the Deckers Gives program, the commitment to giving back resonates throughout our company; from our designers to our office assistants to our CEO. We encourage our full-time employees to volunteer their time with local non-profits by paying them up to 24-hours every year during normal work hours. If an employee reaches 100 hours of volunteer time, Deckers gives a \$1,000 grant to the employee's charity of choice.

 @FoodbankSBC

YEAR ESTABLISHED

Established in 1982, the Foodbank distributed 82,000 pounds of food through a network of 30 member agencies in its first year. Today, the Foodbank distributes over 10 million pounds of food each year to our 300 nonprofit partners and programs. The Foodbank is a member of Feeding America, the national network of food banks.

SERVICE AREA:

The Foodbank improves the nutritional health of our county by providing fresh produce to food insecure residents. Half of all food distributed each year is fresh, local produce. Nonprofit partners include Catholic Charities, Girls Inc., Boys & Girls Clubs, People Helping People, Unity Shoppe, Transition House, Rescue Mission, Associated Students Food Bank, Isla Vista Youth Projects, and many more. Throughout

Santa Barbara County, 1 in 4 individuals receive Foodbank food and educational resources. Of those served, 35% are children under the age of 18.

VOLUNTEERING

We offer a range of volunteer activities that offer opportunities to lead, end hunger, and change the health of our community. In 2015, volunteers provided 25,026 hours of volunteer service. Join our volunteer team of Culinary Educators, Nutrition Educators, and Outreach Assistants by visiting foodbanksbc.org/volunteer.

FUNDRAISING EVENTS

The Foodbank hosts five events throughout the year. Empty Bowls community lunches take place in Santa Maria (October), Lompoc (March), and Santa Barbara (November). The Fork & Cork Classic, our food and wine showcase, is held in spring (May), and the Table of Life gala fundraiser takes place each fall (Oct) at a private estate. The Foodbank benefits from the California Wine Festival, Celebration of Harvest, Santa Barbara Wine Country Half Marathon, Santa Barbara Fermentation Festival, Food from the Bar drive, and many other civic, corporate and individual drives. For tickets, visit foodbanksbc.org/events.

GIVING OPPORTUNITIES

Our focus is on good nutrition and providing both food and the skills to make use of it. The Foodbank invests over one million dollars a year to meet growing food demands above and beyond in-kind donations from the food industry, farmers and growers. For every dollar donated, we can provide 8 nutritious meals.

Make a Financial Contribution:

- Individual gifts can be made by cash, check, credit card or online
- Corporate sponsorship of programs, events and infrastructure
- Business matching gift programs for employees
- Join the Harvest of the Month Giving Club
- Tribute or memorial gifts
- Planned Gifts
- Non-perishable groceries or produce through Backyard Bounty at backyardbounty.org

BUILDING HEALTHY NEIGHBORHOODS

The Foodbank works to provide long term solutions that address community health, hunger and food insecurity starting at the individual and family level. We build healthy neighborhoods by increasing access to healthy, nutritious food and offering empowerment and nutrition education training for all ages. Our award-winning programs include: Food Literacy in Preschool, Kid's Farmers Markets, Healthy Community Pantries, Healthy School Pantries, summer nutrition program Picnic in the Park, Teens Love Cooking, Mobile Farmers Markets, and Brown Bag for seniors.

Visit foodbanksbc.org/programs to learn more.

Chase is honored to recognize the Foodbank of Santa Barbara County for more than 30 years of service to the community.

Thanks to the Foodbank for ending hunger and improving the health of all Santa Barbara County residents, from the youngest participants in the Food Literacy in Preschool program to seniors in the Brown Bag program.

Food can shape our community's future well-being. Alongside Community Environmental Council, the Foodbank spearheaded the Santa Barbara Food Action Plan in partnership with the Santa Barbara Foundation and the Orfalea Foundation.

To make our food system more resilient for future generations, the plan calls upon our community to invest in our food economy, invest in our health and wellness, invest in our community, and invest in our foodshed. We invite you to examine the plan at foodbanksbc.org/food-action-plan.

VOLUNTEER OPPORTUNITIES

FOOD Share volunteers comprise much of the face of our organization. Many of our volunteers have given countless hours over many years and operate in all aspects of FOOD Share's mission. FOOD Share volunteers make it possible to deliver over 11 million pounds of food to our Ventura County families, children and seniors each year. In addition to our dedicated weekly volunteers, we also have organization and corporate partners who utilize the volunteer opportunities as team building and leadership development exercises that give back to their community. Volunteer opportunities range from sorting food, gleaning trees in local backyards, working in our warehouse or office, advocacy ambassadors, and impact council leaders. Without the support of our volunteers FOOD Share wouldn't be able to support our food insecure here in Ventura County.

GIVING OPPORTUNITIES

Participating in the prevention of hunger in our county comes in all forms. FOOD Share feeds the thousands of children, seniors and families with the support of our community. Individuals, corporations, and businesses alike can support FOOD Share in a number of ways.

YEAR ESTABLISHED

Make-A-Wish Tri-Counties was established in 1985.

MISSION

Our mission is to grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy.

VISION

Our vision is to make every eligible child's wish come true. Each year, over 140 children on the central coast are diagnosed with a life-threatening illness. Currently we grant 90-100 wishes each year locally. Our vision is to grant the wish of every eligible child.

SERVICE AREA

Make-A-Wish Tri-Counties serves Ventura, Santa Barbara and San Luis Obispo counties. With a small dedicated staff and over 100 volunteers, the chapter has granted more than 1,500 local wishes since inception.

Make-A-Wish is the largest wish-granting organization in the world, with 61 chapters in the U.S. and affiliates in 38 countries on five continents.

BRAND VALUE

Make-A-Wish is ranked in the Cone Nonprofit Power Brand 100, a Who's Who of some of America's most beloved and recognizable non-profit organizations.

"Make-A-Wish has a crafted brand that is nothing short of magical."

WAYS TO GIVE

Many giving opportunities including these can be found at www.tricounties.wish.org/ways-to-help

- Making a donation online
- Adopting a wish
- Online fundraising in honor of a special occasion or event
- Hosting a fundraising event
- Hosting an airline miles campaign
- Hosting a toy drive

IMPACT SUMMARY

Wishes produce positive, hopeful mindsets that outlast the illness. The organization's wish-granting activities accomplish this by augmenting traditional medicine and impacting each child's emotional state. By granting the child's one heartfelt wish, and involving the entire immediate family in the process, the child is re-empowered to fight his/her illness.

The chapter is continuously recognized within the Make-A-Wish enterprise as one of the top performing small chapters and was recently honored with the Outstanding Wish Achievement award, the Outstanding Fundraising Achievement award and the Benchmarks for Excellence Achievement award.

MAKE A WISH® Tri-Counties

Supporting Children in Need

A wish come true helps children feel stronger, more energetic, more willing and able to battle their life-threatening medical conditions. Doctors, nurses and other health professionals say the wish experience works in concert with medicine to make their patients feel better emotionally and even physically. That is why wishes matter.

That is why Spherion supports Make-A-Wish® Tri-Counties in granting wishes for kids with life-threatening medical conditions here on the central coast. When you put a big grin on the face of a child that is suffering, something amazing happens. You give hope and happiness to families that are hurting. You give a child the chance to experience something they only imagined and never thought possible. You create memories that will be cherished for a lifetime!

Since 1985, Make-A-Wish Tri-Counties has granted wishes to more than 1,400 children in Ventura, Santa Barbara and San Luis Obispo counties. Join us in helping them make wishes come true.

ABOUT

Oaks Christian School (OCS) is a non-denominational, co-ed, college-preparatory school founded in 2000 serving approximately 1,350 students of all faiths and backgrounds from grades 5 through 12.

MISSION STATEMENT

To dedicate ourselves to Christ in the pursuit of academic excellence, artistic expression and athletic distinction, while growing in knowledge and wisdom through God's abundant grace.

ACADEMIC EXCELLENCE

Oaks Christian offers a rigorous academic curriculum where students are inspired to think independently, open-mindedly and creatively to lead and serve in a global community. An impressive 99% of graduates receive college admission, often to highly-selective, top-tier schools. The Class of 2016 was accepted into 104 schools in 31 states and received \$7 million in scholarships.

ARTISTIC EXPRESSION

The visual and performing arts stage numerous performances and exhibits, many which garner prestigious awards. Visual and performing art courses offer students the opportunity to explore and discover their inherent creative gifts, and to share these gifts on the stage through annual musicals and plays and in community showcases.

ATHLETIC DISTINCTION

The focus of Oaks Christian athletics is to develop confident student-athletes who express exceptional character on and off the field. While winning is secondary, Oaks Christian has achieved notable accolades. The high school hosts 22 sports and 48 teams earning 141 league titles, 39 CIF titles, and seven California state titles. Our "One Oaks" athletic program develops middle school athletes to seamlessly transition to the high school level.

DISTINCTIVES

Our innovative programs such as "The Lions Share," (where student entrepreneurs develop and pitch their start-ups), our film academy, and coming-soon biotech programs pair students with business mentors and industry leaders in real-life projects.

COMMUNITY INVOLVEMENT

OCS students are impacting the local and global community. Students performed over 15,000 hours of community service in nine countries and in California last year. Students have partnered with The American Cancer Society, United Cerebral Palsy-Los Angeles, The James Storehouse Foundation, and Operation Gratitude. Students have created the OCS Justice Week to raise awareness of human trafficking, traveled to orphanages in Romania, Mexico and India, and led Christmas toy drives.

GIVING OPPORTUNITIES

Since 2000, Oaks Christian has changed thousands of students' lives by providing opportunities to pursue their passions, talents and gifts in a college-preparatory learning community. Oaks Christian has been blessed by the generous support of corporations and individual donors who continue to give each year in the following areas:

Capital Giving

Funds new facilities and building expansions for academics, arts and athletics.

Planned Giving - OC Endowment Fund

Provides long-term sustainability of the school.

Annual Giving

The Oaks Fund bridges the gap between tuition and operating costs and funds need-based financial aid, academic program development, field studies, classroom technology, and more.

For more information on ways you can give, please contact Vice President of Advancement John Huffman at 818.575.9211 or email jhuffman@oakschristian.org.

VOLUNTEER OPPORTUNITIES

Volunteers play a very important role in the success of the on-campus and off-campus events and activities. Each year the school welcomes over 500 volunteers who donate countless hours of their time and gifts to serve the OCS community. Visit www.oakschristian.org/supportoaks/volunteer for more information.

EVENTS

Golf Tournament & Ladies Tennis Tournament (Nov. 7, 2016)

A day of fun and philanthropy, this year's event will be held at Sherwood Country Club in Westlake Village. Golfers will have the opportunity to play on the newly renovated Jack Nicklaus course, while ladies will play in a round-robin tennis tournament.

Gala Auction Dinner (March 18, 2017)

Oaks Christian School's premier annual fundraiser, this spectacular event is held at the Four Seasons Hotel in Westlake Village. The festivities begin with the silent auction reception followed by live entertainment, a gourmet dinner and live auction.

For more information or for sponsorship opportunities, please contact Monika Evans at 808.575.9278 or email eventinfo@oakschristian.org.

YEAR ESTABLISHED

First formed in 1977 by leaders in the business and education communities, Partners in Education (Partners) grew and evolved into a nonprofit 501(c)3 organization in 2001 and is administered by the Santa Barbara County Education Office.

SERVICE AREA

Partners in Education serves Santa Barbara, Goleta, Carpinteria, and the Santa Maria, Lompoc, and Santa Ynez Valleys.

MISSION

Our mission is to connect businesses and individuals with schools and the organizations that serve them in order to help improve public education in ways that support a more vibrant economy, the health of our community and the well-being of local

children and their families. Partners in Education leverages a unique mix of corporate, individual, government and foundation support to provide reliable and effective programs.

2015-16 SCHOOL YEAR IMPACT

Computers for Families

- 528 families received donated computers

Countywide Volunteer Program

- 866 classrooms were touched by volunteers
- 30,000 volunteer hours served countywide, for a grand total of 200,000 hours since 2008.

Paid Student Internship Program

- 67 students explored careers with local businesses while earning minimum wage

PROGRAMS

Through coordination with the business, education and nonprofit communities, Partners prepares students for what's next, whatever that might be - college, career, or simply the next grade.

Computers for Families (CFF)

Does your family or company have used computer hardware to share with families who need them?

Laptops, desktops, monitors, keyboards, etc. are always a need. We provide these donated computers, along with training, to more than 500 low income students and their families each year.

Paid Student Internship Program

Could your business benefit from the support of a highly motivated and trained student intern?

We need businesses in all fields to host interns throughout the year, providing 80 hours of meaningful work experience for deserving high school students. Because the majority of our students come from low income families, our internships are paid through a "split wage" model: businesses pay only half of their interns' total wages. Added bonus: All students receive 7 weeks of paid job readiness training (communication skills, workplace dress, and more) before reaching your doors.

Don't have the time to mentor an intern? Sponsor an intern at your favorite nonprofit and your business will be recognized at our Annual Student Awards Breakfast. Contact us to learn more.

Countywide Volunteer Program

Looking to engage your business in ways that make a true difference and line up with employee availability? The Countywide Volunteer Program offers a multitude of options that accommodate your skills, interests, and availability.

How does it work? Educators submit requests for help, and our volunteer managers meet those needs by utilizing our wide network of businesses and volunteers (people like you!). Partners is especially known for its career readiness efforts, such as Career Days (at every junior high), career panels, mock job interviews, resume coaching, guest speaker series, and more.

Our online Current Needs webpage lists all open requests and is updated frequently.

From behind the scenes museum and architectural tours to musical performances, lectures, cooking demonstrations and hiking to beautiful vistas, Choice Affairs offers unforgettable experiences. To reserve your spring event booklet, please call Meggan at 805.722.1524.

The Mary Jane McCord Book Sale is our longest-running special event and is the largest used book sale in the Tri-Counties. In its 42nd year and supported by more than 200 volunteers, this popular September event at Earl Warren Showgrounds offers thousands of titles for all ages. For more information please visit www.booksale.ppcentralcoast.org or call Lindsay at 805.722.1522.

GIVING OPPORTUNITIES

Community support through annual and monthly gifts, event sponsorship and tickets, tributes and memorial gifts, annuities and bequests all play a vital role in our ability to meet the needs of the individuals and families who depend on us. For more information, please call Sherry Madsen at 805.722.1516

GOALS

Ensuring that all people, regardless of the community they live in, their personal circumstances or ability to pay, will continue to have access to high-quality reproductive health care.

Providing health education and a broad range of life-saving services that include: gynecological care, family planning, cancer screening, long-acting birth control services for women, abortion services, vasectomies for men, HPV vaccinations, STD screening and treatment, and rapid HIV testing.

Reaching critical audiences, such as school board members, community leaders and legislators, to expand access to health education, preventive care and affordable services for women, men and young people.

CONGRATULATIONS TO OUR CEO

Jenna Tosh, President & CEO of Planned Parenthood California Central Coast, has been selected as one of the 2016 Pacific Coast Business Times 40 under 40.

Upon her arrival to the Central Coast a year and a half ago, Jenna immediately began learning about our regional health care community, meeting with leaders and establishing partnerships. Since taking the helm at PPCCC, Jenna has led the affiliate strategic planning process, stewarded the affiliate through a mission statement revision and an affiliate name change, and completed a regional market analysis of reproductive health services. She is now leading efforts to expand health services in response to health care reform and regional needs. Jenna's engagement with stakeholders and donors has contributed to a significant increase in philanthropic contributions.

Planned Parenthood is fortunate to have Jenna as its dynamic young leader and champion for women's health care.

 Planned Parenthood®

100

— YEARS

One hundred years ago, Planned Parenthood was founded on the radical idea that access to sexual and reproductive health care and information could change lives, communities, and the world. Since then, Planned Parenthood has empowered millions of women and men to control their bodies and determine their destinies.

Foundation for SBCC

YEAR ESTABLISHED

SBCC Foundation was established in 1976.

MISSION

To support SBCC students and programs through sustained philanthropy.

ABOUT US

The SBCC Foundation works in partnership with Santa Barbara City College to bridge the gap between available public funding and institutional need, as determined by the college leadership. Serving as the vehicle through which individuals and organizations may invest in the college, the foundation fuels the educational excellence that has long been the hallmark of SBCC. The SBCC Foundation provides more than \$4 million annually for student success programs, scholarships, book grants, and other critical needs of the college in order to support SBCC students as they prepare for careers, transfer to four-year universities, and pursue lifelong learning goals.

California community colleges make up the single largest system of higher education in the

United States. With more than 2 million students, California's 113 community colleges serve one quarter of all community college students in the United States.

Santa Barbara City College is a comprehensive community college serving the south coast of Santa Barbara County. Established in 1909, SBCC offers a wide range of associate degree and certificate programs, as well as transfer programs that provide the first two years of study toward a baccalaureate degree. With more than a century of service to southern Santa Barbara County, SBCC has a long history of leadership and innovation in providing outstanding educational opportunities for all.

GIVING OPPORTUNITIES

In celebration of its 40th anniversary, the SBCC Foundation is partnering with SBCC to launch the SBCC Promise. The SBCC Promise will provide any local student who completes their secondary education within the SBCC Community College District with the opportunity to attend SBCC full-time for two years free of charge. The SBCC Promise will cover all tuition, fees, and books in an effort to remove economic barriers and make our community's college fully accessible to all local students. The SBCC Promise will begin in the fall of 2016 for June 2016 graduates. To find out how you can support the SBCC Promise, please contact SBCC Foundation Scholarship Director Lucille Ramirez at (805) 730-4416 or promise@sbccfoundation.org.

The Visionaries Circle makes the SBCC Foundation's work possible. Members provide the core support that enables the foundation to raise the dollars necessary to ensure that SBCC remains an extraordinary institution of higher learning with opportunity for all. In the 2014-2015 fiscal year, every dollar donated to the Visionaries Circle was leveraged by the foundation into \$20 for SBCC and its students. For more information on the Visionaries Circle, please contact Visionaries Circle Director Brittany Napier at (805) 730-4410 or napier@sbccfoundation.org.

Planned giving is also an option for those wishing to leave a legacy. Planned gifts ensure that opportunities are available for future generations. To learn more about planned giving, contact SBCC Foundation Chief Development Officer Gretchen Hewlett at (805) 897-3537 or hewlett@sbccfoundation.org.

Scholarships relieve financial burden so students can concentrate on academic excellence. Donors may provide direct student support by establishing scholarships through the foundation. To learn more about establishing a scholarship, contact SBCC Foundation Scholarship Director Lucille Ramirez at (805) 730-4406 or ramirez@sbccfoundation.org.

SERVICE AREA

Santa Barbara County

MISSION

To use every tool at our disposal to facilitate the building of philanthropy, strengthen the nonprofit sector, and identify and strategically address important community opportunities and needs.

GOALS

To facilitate the building of philanthropy.

As a value added partner in philanthropy at every level, from one-time individual donors to those wishing to create meaningful legacies, the Santa Barbara Foundation

connects people to causes that matter. The foundation is home to more than 300 individual and agency funds as well as eight collective giving groups that are an integral part of the foundation family.

To strengthen the nonprofit sector.

Through grants, counsel, educational opportunities and endowment management, the Santa Barbara Foundation strengthens the nonprofit sector – helping organizations fulfill their missions, address community needs and affect positive change. The foundation's staff provides expert oversight, ensuring funds are distributed based on a rigorous process of research, due diligence, planning and evaluation.

To identify and strategically address community needs.

The foundation uses a variety of approaches to invest in our region, including strategic initiatives, community grants, donor-directed gifts and support for nonprofits. As the largest public foundation in the county, we have the resources and experience to tackle our community's most entrenched issues.

GIVING OPPORTUNITIES

The Santa Barbara Foundation has been the community's trusted source for giving since 1928. Our commitment to donors is simple and unwavering: We help you fulfill your charitable goals with ease and effectiveness, and we partner with donors and charitable organizations in our region and beyond to create an impact that is more powerful than what any one of us can achieve alone.

Gifts to the Foundation

With deep community roots, the Santa Barbara Foundation can help guide your philanthropic giving. By making a gift directly to the foundation, you can be sure your gift will be used to address critical needs in our community.

Donor Advised Funds

Our most popular option, a donor advised fund gives you the most flexibility with your philanthropy. Once the fund is established, you may take your time to determine grant recommendations and develop your philanthropic priorities.

Field of Interest Funds

If your interests are focused on a specific area of philanthropy such as the arts or education, a field of interest fund may match your needs. Field of interest funds are an excellent way to engage multiple people in collective giving.

Supporting Organizations

An alternative to a private foundation, supporting organizations allow you to hire a staff and convene a board while the Santa Barbara Foundation handles the administrative oversight for you.

Planned Giving

The foundation can help you accomplish your planned giving goals, no matter how simple or complex. From bequests and charitable trusts to charitable gift annuities and real estate trusts, our team can help you establish a meaningful legacy gift.

To learn more about giving opportunities at the foundation, please call (805) 963-1873 or visit sbfoundation.org.

COMMUNITY CAREGIVING INITIATIVE

STRENGTHENING FAMILIES FOR THE JOURNEY OF CARING

We believe compassion for our aging population should be a shared community value. That's why the Santa Barbara Foundation is committed to investing in solutions to strengthen caregiving. The Community Caregiving Initiative is establishing effective caregiver support systems by partnering with community organizations and practitioners from multiple sectors to identify and implement promising approaches, and create caregiver awareness.

LANDSCAPES ECOSYSTEMS

LEAF

The Santa Barbara Foundation is committed to preserving the natural beauty, ecological integrity and productivity of the wild and working lands in Santa Barbara County for generations to come. To that end, the foundation has launched the LEAF Initiative with the goal of strengthening community resiliency by preserving and enhancing the landscapes and systems that sustain nature, human health and our economy.

E: zooinfo@sbzoo.org
W: www.sbzoo.org

CEO: Rich Block

YEAR ESTABLISHED

The Santa Barbara Zoo was established in 1963 by a dedicated group of community volunteers.

SERVICE AREA

Nearly half a million children, teens, and adults from the tri-counties and beyond visit the Santa Barbara Zoo each year to be inspired and motivated by our planet's living treasures.

OVERVIEW

Accredited by the Association of Zoos and Aquariums, the Santa Barbara Zoo is home to more than 500 animals, including 150 species of mammals, reptiles, birds, fish, and invertebrates.

MISSION STATEMENT

Connecting people with animals, the Santa Barbara Zoo is dedicated to the preservation, conservation, and enhancement of the natural world and its living treasures through education, research, and recreation.

FUNDRAISING EVENT

Zoofari Ball is the Zoo's premier fundraising event. For one night, the Zoo's lush gardens are transformed into another world, with themes from "Wild, Wild, West" to "Spy-fari." This extravagant event features a silent auction, cocktails, gourmet cuisine, live music, and more, and takes place annually in August.

GIVING OPPORTUNITIES

Make a General Donation:

General donations support the day-to-day operations of the Zoo, from medical examinations for the animals to keeping our garden beautiful.

Sponsor an Animal:

No matter which one is your favorite, you will enjoy wild benefits as an official Foster Feeder when you sponsor an animal at the Zoo! Become a Foster Feeder and help the Zoo provide a healthy, nutritionally-balanced diet for the animals.

Purchase Toys for the Animals:

Enrich the lives of the Zoo's animals with a donation to the Animal Enrichment Fund. Zookeepers regularly give the animals items (i.e. toys) that they will "play" with, encouraging behaviors that they would naturally display in the wild.

Save Wildlife:

Save California condors, local frogs, sea otters, and other endangered species by contributing to the Zoo Conservation Fund. The Zoo is dedicated to saving wildlife through education, fieldwork, and research. Be a conservation hero!

Send a Child to Camp:

The Zoo's award-winning Zoo Camp has enriched the lives of children for generations. However, many children miss out on this incredible experience simply because their families cannot afford it. Give a gift that will have a lasting impression in a child's life -- send a child to a week of Zoo Camp.

Sponsor a Class:

Sponsor a day at the Zoo for a class of elementary school students attending a Title 1 school (schools serving a higher number of children recognized as economically disadvantaged and/or otherwise at-risk). Your support helps cover the admission cost and provides educational and cultural enrichment for children who otherwise would not have the opportunity to see, hear, (or smell) zoo animals in person.

For information about special projects, event sponsorships, or planned gifts, please contact Elaine K. Mah Best, Director of Development, at (805) 962-5339 or emahbest@sbzoo.org.

VOLUNTEER OPPORTUNITIES

Ambassador (ages 12+):

Ambassadors help the Zoo run smoothly by participating in everything from clerical and administration duties to grounds keeping, gardening, and events.

Keeper Aide (ages 18+):

Keeper Aides volunteer alongside animal care staff and assist with daily cleaning and maintenance.

Docent (ages 12+):

Docents share their passion and knowledge of the Zoo and the natural world with our guests.

Zoo Teen (ages 12-17):

This exclusive program gives teens an opportunity to gain hands-on experience and community service.

WHAT WE DO

Since 1974, SEE International has worked to create a world where everyone has access to vision care, regardless of who they are, where they live, or their ability to pay. Through the support of our partners, the generosity of our donors, and the dedication of our volunteer medical professionals, well over 3.8 million people have had their eyes screened, and nearly half a million people have had their sight restored.

2016 GOALS

- Care for 1,600 low income Santa Barbara community members in need of vision care.
- Provide free eye surgery to 16,500 people during 200 sight-restoring programs
- Increase the number of and variety of businesses supporting both our local and international work to support our long term growth.

PROGRAMS

Santa Barbara Vision Care

SEE is committed to caring for patients in need, wherever they may be, including its home community of Santa Barbara. SEE's Santa Barbara Vision Care Program has served local patients for over 30 years, and provides more than 1,500 low income adults and children with free comprehensive eye exams, medicine, and essential vision care surgeries each year.

International Sight-Restoring Programs

Roughly 90% of blind people live in developing countries, where eye care is unavailable, expensive, or unsafe. SEE partners with in-country organizations and volunteer eye doctors to bring high-quality eye to areas where it is needed most.

HOW YOU CAN HELP

Become a Monthly Donor

SEE relies on the generosity of its supporters to fund its local and international programs to combat avoidable blindness. There are many ways for you to help give the gift of sight. It only takes about \$100 or \$8 a month to restore one person's sight and change their life forever.

Sponsor an Eye Screening

Through SEE's Santa Barbara Vision Care Program, we offer hold eye screenings events throughout the community in partnership with local businesses and organizations. Your support will help ensure that everyone in Santa Barbara County has access to affordable vision care.

Become a Corporate Sponsor

SEE offers a variety of sponsorship opportunities which provide your business with diverse marketing opportunities to reach a wide audience and differentiate you from your competitors while showcasing your global humanitarian commitment, and allowing you to develop closer relationships with your customers. For more information contact Kate Bryant at 805-963-3303 or at kate@seeintl.org.

EVENTS

ArtSEE

W: www.westmont.edu

MISSION

Westmont College is an undergraduate, residential, Christian, liberal arts community serving God's kingdom by cultivating thoughtful scholars, grateful servants and faithful leaders for global engagement with the academy, church and world.

COMMUNITY INVOLVEMENT

Westmont invests in the local community in many ways:

- About 80 percent of students participate in some kind of community service. Together, faculty, staff and students have contributed more than 300,000 volunteer hours to local organizations.
- Westmont alumni work for nearly 600 local companies, organizations and educational enterprises, which also recruit Westmont students as interns and part-time workers
- Westmont's economic impact on the Santa Barbara area ranges from \$175 million to \$280 million.

INTERNSHIP OPPORTUNITIES

Through Westmont's internship program, the college and the community engage in a dynamic partnership. Student interns participate in meaningful, pre-professional work while providing benefits for the organization.

About 85 percent of the graduates in the class of 2014 participated in some kind of internship or service while attending Westmont. We welcome new business and service partners; please visit: www.westmont.edu/internships.

For more information, please contact: Celia Howen, Associate Director Career Development & Calling at chowen@westmont.edu, (805) 565-6160. Westmont College 955 La Paz Road Santa Barbara, CA 93108 P: 805.565.6000 W: www.westmont.edu

Gayle D. Beebe has entered his tenth year as president of Westmont.

MESSAGE FROM THE PRESIDENT

Your investment in Westmont helps us blend a demanding yet personal education with a deep love of God. Liberal arts courses and a broad, global perspective prepare graduates to serve worldwide and emerge as leaders in every sphere of society. Small classes with highly qualified professors, opportunities for student research, an emphasis on internships, and a vibrant residential community allow students to discover their calling, develop their talents and succeed in their chosen careers. Our distinctive intersection of intellect and faith encourages students to unlock their potential, broaden their impact and deepen their understanding as they seek to meet the great, pressing needs of our time.

Gayle D. Beebe, Ph.D.
President, Westmont College

NATIONAL IMPACT

U.S. News & World Report has ranked Westmont among the 100 best liberal arts colleges in the nation and the top 10 in California. Forbes Magazine puts the college at No. 75 in its 2016 survey, Grateful Grads: Top Return-on-Investment. On a list of the 50 most entrepreneurial U. S. colleges, Forbes ranks Westmont No. 10.

Westmont's four-year graduation rate (78 percent) is significantly higher than the national six-year average of 59 percent.

Westmont alumni have contributed to the economy by starting more than 60 companies in the past 18 years. Entrepreneurship programs and national business plan competitions help students develop business skills.

Westmont graduates demonstrate their integrity and success by repaying their student loans; the most recent three-year default rate was only 1.6 percent; the national average was 11.8 percent.

Within 18 months of graduating, 95 percent of our alums find work, get an internship or attend graduate school. Pre-med students have an 85 percent acceptance rate into medical school.

Working together to empower people with intellectual and developmental disabilities

The Arc of Ventura County offers a wide range of programs and services to over 700 individuals with intellectual and developmental disabilities to lead independent and self-determined lives. This includes gaining life skills to live independently, participating and volunteering in community events and activities, and training to develop and enhance skills to obtain competitive employment. Informed decisions, positive changes, participation and connections in the community are fundamental principles in all programs.

The Arc Foundation of Ventura County operates two thrift stores with all profits benefitting The Arc of Ventura County. The thrift stores rely on your tax-deductible donations of clothing, small appliances and household items to support their mission. The Arc Foundation makes donating easy by coming to your home to pick-up your items. Shoppers and donors alike can feel good knowing their contributions are going to support individuals with intellectual and developmental disabilities in Ventura County. Celebrating 35 Years OF BRINGING COMMUNITY HOME

The Cabrillo Economic Development Corporation's mission is to provide comprehensive housing services and community economic development activities through a community-building approach that facilitates self-sufficiency for individuals and families who are most lacking in opportunity in Ventura and Santa Barbara Counties, and adjacent areas of Los Angeles County.

Founded in 1981, Cabrillo is a private, nonprofit, community economic development corporation that develops ownership and rental housing for low income, disadvantaged and special needs populations to improve their quality of life. Cabrillo is recognized as a leader in affordable housing statewide and nationally, and is proud to be the largest developer of affordable homes in Ventura County.

At Cabrillo, we believe that a home is more than a place to live. It is the cornerstone of any community's economic, environmental and social well-being.

AREAS OF EXPERTISE:

- Advocacy
- Home Ownership Counseling
- Real Estate Development
- Community Building & Neighborhood Revitalization
- Foreclosure Prevention
- Reverse Mortgage Counseling
- Construction
- Property Management

COTTAGE HEALTH

our region's choice for advanced health care

Cottage Health provides residents of the California Central Coast with exemplary health care, continuous enhancements in advanced medicine and a commitment to our communities. We take pride in helping our patients get back to living their lives - in the places they love.

Cottage Health provides inpatient care and 24-hour emergency services at its hospitals in Goleta, Santa Barbara, and the Santa Ynez Valley. Our specialties include the Cottage Children's Medical Center, Level II Trauma Center, Santa Barbara Neuroscience Institute, Heart & Vascular Center, Center for Orthopedics, and the Cottage Rehabilitation Hospital.

Our mission is to provide superior health care and improve the health of our communities through a commitment to our core values of excellence, integrity, and compassion.

Every day we touch thousands of lives in many different ways, unwavering in our mission to put patients first.

Thank you for joining with us to create the best of what health care can be, right here – close to home.

GIVING OPPORTUNITIES

Our community built the Cottage Health hospitals and on-going community support ensures our future financial health and ability to meet the needs of our patients and their families.

Your support will help Cottage to redefine the boundaries of excellence and ensure world class health care for everyone in our Central Coast community.

Learn more about how you can support our non-profit hospitals and programs by making a gift or legacy commitment at cottagehealth.org/donate or call **805.879.8980**.

VOLUNTEERING

Nearly 1000 volunteers throughout Cottage Health's facilities give more than 100,000 hours each year serving patients and providing support in clinical and non-clinical areas.

We value our wonderful volunteers and invite you to consider joining that special team at Cottage Health. For more information visit: cottagehealth.org/volunteer or call **(805) 569-7357**.

A Strong Foundation for Student Success

MISSION

The Cuesta College Foundation ensures the greatest educational opportunities for student access and success by:

- Providing the highest level of support and philanthropic opportunities
- Serving as a liaison between the college and the community
- Enhancing the college's visibility and stature
- Advocating for community colleges
- Fostering a creative and rewarding environment for students, faculty, staff and volunteers

Last year, the Cuesta College Foundation built upon its mission by providing more than \$1 million in scholarships to 925 students. Of these individuals, 646 were Cuesta Promise Scholarship recipients. The first-year, fee-free scholarship is available to all newly graduated San Luis Obispo County high school students. It allows students to focus on their studies instead of the cost of tuition; putting success is within their reach.

Join us in building a strong foundation for our students and the community.

Domestic Violence Solutions Helps *Everyone*

For 39 years Domestic Violence Solutions has been Santa Barbara County's only full-service provider of 24-hour emergency shelter and services for domestic violence victims.

Last year we:

- Answered more than **6,250 calls** to our 24-hour crisis lines
- Provided **12,212 shelter nights** to victims of domestic violence
- Responded to over **468 calls** from law enforcement and emergency rooms at the victims location
- Assisted **949 victims** in acquiring legal assistance
- Of the clients we supported in our shelter **61% were children**

Creating a future where everyone takes personal responsibility for promoting zero tolerance of domestic violence.

Invest in girls. Change the world.

We believe that when girls succeed so does society.

Whether they're coding a website, planning a day camp, running a literacy program, or organizing an orphanage in Belize, Girl Scouts are building a better world for all of us. But we need your help to make sure every girl in every community has access to all the amazing opportunities available to her through Girl Scouts.

Once Upon a Watershed

Once Upon a Watershed seeks to awaken wonder, appreciation, discovery and connection with the natural world. Through hands-on watershed education, restoration, and stewardship experiences our programs cultivate a sense of shared responsibility for our whole earth system, instilling confidence and hope by empowering young people to make a real difference at the local watershed scale.

We provide hands-on watershed education, restoration and discovery to 4th, 5th, and 6th grade students in the Ventura River Watershed. The program is offered free to 10 public elementary schools in Ojai and Ventura, fiscally sponsored by the Oak Grove School.

At Venoco, giving back is at the heart of our corporate culture.

Venoco's corporate culture of giving is one that is shared by the management and employees. Whether it is giving a portion of paychecks to an effective nonprofit organization, dedicating time to youth programs, or working at the board leadership table to help advance an important philanthropic mission, the people of Venoco are there.

Through the Venoco Community Partnership, millions of dollars have been granted to local nonprofit organizations focused on improving the quality of life in and around the areas where we work and live.

Venoco's corporate giving philosophy includes:

Philanthropy Boot Camp

Employee education program on responsible nonprofit leadership, finance and grant making, and other aspects of nonprofit giving.

Matching Gifts

Corporate dollar matching of employee contributions.

Business Giving Roundtable

Participation with other businesses in Santa Barbara County that share a core value of corporate citizenship in support of local nonprofits.

VenoGives

Option for employees to make a direct donation to a nonprofit organization through payroll deductions.

25 years of commitment to operational excellence, energy production, safety, and the environment.

Venoco Inc. is an independent energy company founded in Carpinteria in 1992 and has grown to become one of the largest producers of oil and natural gas in California. Venoco is a company of hardworking, focused and experienced people who enjoy the challenges of the oil and natural gas industry, and who are dedicated to good corporate citizenship.

BUILDING A LANDMARK

With magnificent views, the “Best New Hiking Trail,” and the first plantings of the Chilean Gardens—we’ve just begun. Located at Grant Park above the historic Ventura City Hall, with spectacular, unobstructed views of the ocean, Channel Islands and the Topa Topa Mountains, this rustic location is an extraordinary setting for hiking, picnicking and enjoying nature.

When complete, the Gardens will feature sustainable plants from California and four Mediterranean-climate regions, with research and discovery centers, educational opportunities... and so much more. For sponsorships, naming opportunities, or planned giving, contact the corporate office at (805)232-3113 or info@venturabotanicalgardens.com. Please be a part of our journey into the future.

FOR OVER TWENTY YEARS, BBM&D Strategic Branding has been working with nonprofits to help build their brands, because a strong nonprofit needs a brand that resonates.

Working with hundreds of companies on thousands of projects, we’ve helped build powerful brand strategies, and then communicate them through successful marketing, ad campaigns, identity systems, annual reports, publications, signage, web development and social media.

With over three hundred awards for creativity, BBM&D can help your nonprofit present an intelligent, creative, professional brand—one that inspires giving.

A regional solution to affordable housing funding!

Ventura County Housing Trust Fund supports more housing choices by generating and leveraging financial resources, working in partnership with the public, private, and non-profit sectors throughout Ventura County.

In this era of limited resources, VCHTF is able to attract capital from sources not traditionally dedicated to housing. VCHTF leverages these funds by combining private capital with foundation and public agency investments to build a revolving loan fund dedicated to expanding affordable and workforce housing. VCHTF loans often are made early in the development cycle, before traditional funding is available, and thus provide financial support necessary to attract additional money needed to complete the projects.

Individuals and families at all financial levels deserve clean, safe, affordable housing located close to where they work. Supporting VCHTF by donating to the Revolving Loan Fund promotes the production of affordable housing with a focus on homes for veterans, the homeless, farmworkers, and youth transitioning from foster care. Contact VCHTF at 805-330-6987 or visit www.VCHousingTrustFund.org
